Easter Seal Campaign Starts March 10 In Milam

The 1955 Texas Easter Seal Campaign for aid to crippled children gets underway this week with the mailing of 1,100,000 sheets of Easter Seals and Appeal letters by the Texas Society for Crippled Children and the many county and local societies. March 10 through April 10, 1955, has been proclaimed Easter Seal month in Texas by Governor Allan Shivers.

Mrs. R. J. Woodum, County chairman of the drive, said that some 2,500 appeals will be mailed in this county.

Average contribution for the seals is \$1.00. Mrs. Woodum stated, although either more or less will be appreciated.

She stated that it is doubly important this year that the drive prove successful since the state has appropriated no funds.

"We are going to have to do the best we can with what we have," Mrs. Woodum said, "and we are in great need of help."

Mailing of the seals starts today with Mrs. Woodum acting as general chairman, Mrs. W. T. Whitley Co-chairman of the local campaign in association with the Yoe High School chapters of Future Home makers.

Mrs. J. B. White is the publicity chairman.

Mrs. John T. Hale and Mrs. J. F. Coffield are co-chairmen of the drive in Rockdale.

State Campaign Chairman, Olin Culberson, officially signed the Appeal letter last week at his office in Austin.

Mr. Culberson praised the thousands of workers for their "outstanding and conscientious efforts displayed in carrying out the many necessary details."

"Every contribution helps some crippled child or adult in your State and community to have a chance for a brighter, better life. Texans have given liberally to this Appeal in past years, and the need in 1955 is greater than ever. "Contributions may be made to any local, society or co. affiliate of the Texas Society for Crippled Children by addressing your contributions to "CRIPPLED CHILDREN" in care of your local Post Office" Mr. Culberson said.

DEALEY BOOK

This month has been chosen by Henry Holt and Company of New York as publication month for Ernest Sharpe's eagerly awaited full scale biography of George Bannerman Dealey, late publisher of The Dallas News. Entitled "G. B. Dealey of The Dallas News," the volume, by a University of Texas journalism professor, traces a career of distinguished service that spanned 72 years—from 1874, when G. B. Dealey started as an office boy, until his death in 1946. The story of Mr. Dealey during those years, as his biographer demonstrates, is in evitably the story, too, of Texas and its phenomenal growth.

H. B. Pressley Petitioned For Board

Another name has been added to the slate of School Board candidates for the coming April 2 election.

H. B. Pressley was petitioned to office Tues., bringing the number of candidates up to six.

The election will be held in Cameron at the Yoe High School gymnasium from 8 a. m. until 7 p. m. Saturday, April 2.

Steve Salach Businessman In Cameron Dies

Steve Salach, Jr., a resident of Milam County for many years, died in St. Edwards Hospital Thursday morning, March 10, following a short illness.

He was born November 5, 1896 in Bell County.

Funeral services were scheduled at 9 a. m. Saturday morning, March 12, in St. Monica's Church with Father George J. Duda officiating; interment in St. Monica's cemetery.

Rosary was recited at Marek-Burns Funeral Chapel at 8:30 p. m. Friday, March 11.

Survivors are his widow, Mrs. Salach of Cameron; two sons, Robert Lee Salach of Hammond, Ind., and Eugene Salach of Cameron; his father, Steve Salach, Sr. of Cameron; one brother, Bennie Salach of Beaumont; two sisters, Miss Lillian Salach of Cameron and Mrs. B. W. Miller of Ft. Worth; and two grandchildren.

Two Prison Inmates Indicted On Income Tax Charges

Two inmates of the Huntsville State Prison were indicted March 10 by a Federal Grand Jury at Houston, Texas on charges that they collected refunds totaling \$206.19 on income taxes which had never been paid. Both were in prison at the time they made their claims.

The indictment alleges that Aubrey J. Merkel, 32 filed false claims for refunds on taxes which he swore had been deducted from his wages in 1951 and 1952.

Merkel was committed to the prison January 10, 1950 to serve a 10-year sentence for assault on a woman.

Kenneth Jenkins was jointly indicted for assisting Merkel in preparation and filing of one of the claims.

Feed reserves increase the chance for profitable returns to livestock producers. In most areas of the state reserves are low and producers should plan to increase supplies by plantings or purchases at harvest time.

Former Cameron Man Named "Courteous Driver Of Nation"

On February 1, 1955, Martin K. Weems, Houston Sun set Motor Lines driver, was awarded the honor of being named, "Courteous Driver of The Nation", on Bill Cullem's Road Show. He was selected for the honor after having been observed by "Mr. Safety", Col. G. Phillips, near Austin on February 3. His regular run is Houston to Abilene.

He was honored by this selection, and will also receive several prizes from the sponsors of the radio show.

Mr. Weems is a former Cameron resident and is the son of Mr. and Mrs. M. E. Weems of Cameron. He is a veteran of World War II, having served two years in the European Theatre of Operations, where in addition to other medals he was awarded the Purple Heart.

Yoe Plans New Vocational Building

No Bus Available For Catholic Parochial School, Board Says

Plans for a much needed Vocational Building reached the voting stage at the Wednesday night School Board meeting and board members unanimously passed a motion to start work on the \$15,000 project immediately, so that the building could be completed by the next school term.

The badly needed building will be located adjacent to the present Vocational-Agriculture building and Board members discussed at some length the assets and liabilities of joining or separating the buildings, when it was pointed out by Stanley Hughes, who drew plans for the building, that they would save only \$780 by joining the buildings it was decided to separate them to insure ample ventilation, light, instructional facilities and meet insurance requirements.

S. M. Layfield, principal of Yoe high school, and Guy Clement, vocational teacher, explained that the building originally built was inadequate and to accommodate the students who wished to take shop the building should be completed by the next school year.

Hughes stated that it would be completed within 60 days after work begins.

The board also decided to install new doors in Yoe high school. The steel doors will come in Friday, Hughes told the board, and several of the members will by to approve them.

Father Leonard Buxkemper and Rube Johnson who were present at the meeting, requested that the Cameron school board provide the Catholic Parochial school with a bus to pick up their students for a token payment.

Johnson stated that the people still resent the busses passing up the Catholic school students on the

an editorial....

"No recording by mechanical devices" was County Judge Charles C. Smith's attitude toward the Soundscribe machine which was taken to the Commissioners Court meeting Monday morning by the Cameron Herald.

It is, actually, a very humorous situation. The Judge, in a loud, clear voice, stated vibrantly and authoritatively that the press and the general public are welcome to attend their meetings — and then, in the same breath, vehemently bans a recording machine which, at maximum usage, could only lead to a complete account of the proceedings.

One Commissioner, "Doc" Markham by name, proposed that the newspaper get their account of the meeting through the minutes. This leads to another line of thought, not humorous. Why is a first-hand account of the meetings rejected in favor of minutes, if those minutes are in every way complete?

Time and again newspapers have lamented the fact that public meetings are not public. "Men of distinction", or "politicians" or "statesmen", statewide and nationally, whatever term apply, often find it necessary to sugar-coat or completely take "off the record" portions of their meetings, for "the good of the general public". The newspapers, newspapermen and women, and the Constitution of the United States, have different ideas. According to that document by which we are governed, this a nation and state and county of the people, by the people and for the people... when an effort is made to keep any portion of information private then whatever happened should not have happened... not at a "public meeting".

In lieu of a court stenographer, and in the interest of completeness and accuracy of detail, this newspaper, in regard to banning the recording machine from any public meeting we deem it necessary to take it to... to back up our quotes if nothing more... wish to let all members of public office know, that when he deprives us of our means of gaining this completeness and accuracy of detail we desire, are going to receive a public protest from us, and, if possible, we shall cut from under him any legal loophole on which he stands.

New C of C Committee Heads Are Named

New Chamber of Commerce committee chairmen have been appointed by president Bill Burns for the 1955 fiscal year.

The committees and their chairmen are:

With Drayton McLane as ex-officio chairman: Crops and Water Conservation - John A. Smith, Jr.; Livestock, J. S. Battle; Poultry, Leo Fuchs; Industrial, Lester Williams; Highways and Good Roads - E. A. Perrin; Publicity - E. C. Cole; Public Relations - Jack Prescott.

With Dana Kestenbaum as ex-officio member: Dairy - Leroy Thompson; Civic Improvement - C. A. Jackett; Education - W. T. Hanes; Health and Sanitation, Dr. George Bowman; Trade Development, Narvie Caperton; Membership, Jimmy Wiggs.

Over 520 Parents Visited Local Schools

During Texas Education Week, which was observed March 7 to the 11, the public schools of Cameron opened their doors to all visitors. Approximately 520 parents visited in the Ben Milam, Ada Henderson and Yoe High schools.

The members of the local service clubs enjoyed lunch in the Ben Milam Cafeteria and a tour through the school plant. Twenty-four members of the Lions Club were visitors on Tuesday, March 8. The Rotary Club visited on Wednesday, March 9, with 30 members in attendance. Thursday, March 10 the Kiwanis Club visited with 22 present.

During the week forty-one people came to C. H. Yoe High School. The student council presented an assembly on Thursday morning. There were approximately 25 parents present.

On Thursday and Friday, 145 visited Ada Henderson and 260 visited Ben Milam.

The third grade presented a program in honor of Education Week on Friday afternoon with two hundred parents present.

During Thursday and Friday of that week, the school attendance was higher than usual.

Charlie Bloesch, of Neederville, is visiting W. J. Anderle of Cameron. Mrs. Raymond Richter, of Sharp, and Alfred Washeck of Buckholts this week.

Meeting Open To Press But No RECORDING

"That is what he thinks. That is, it is what he thinks he thinks. No that is not quite it: it is what he thinks he can stupefy a particularly and unspeakably dull reader into thinking it is what he thinks".....

Mark Twain.

After opening the Commissioners Court meeting Judge Charles C. Smith stated, to the Commissioners Court in general and the reporter of the Cameron Herald in particular, that no recording by mechanical devices would be allowed in the Commissioners Court; adding that it is a court of record with "sufficient minutes" kept.

He went on to say that he had not always been a member of the commissioners court, but, since he had, members of the

press and the public are always welcomed.....although this was the first opportunity any member of the press had taken to attend a meeting.

Smith stated that the court was always in open session, and that it was all right to make records but "this is carrying it a bit too far."

Following his uninterrupted dissertation John A. Smith, Jr. president of the Farm Bureau in this vicinity along with a committee of 14 men, were welcomed into the meeting with a short address by Judge Smith, who stated, "We want you to know that you are welcome; some of you have been here more than one time. I believe you have always received an attentive reception and a satisfactory answer to your requests or sufficient reasons why we could not grant them."

Smith gave the appreciative response for the committee. He then stated that it was the desire of these men to extend the bounty on wolves for another 90 days, explaining that the ones that are eliminated in that time will eliminate that many more. He asked, and the committee confirmed, that they requested a bounty of \$15.00 for grown wolves and \$5.00 for puppies.....or whelps.

Homer Nabours, County Clerk, and ex-officio secretary to the court, stated that 17 bounties were paid during the recent campaign to eliminate wolves from the county.

The Commissioners granted their request, with bounties to be given upon receipt of affidavit supported by the landowners signature, that the bounty is being awarded rightfully.

One man asked if it would be possible to hire a trapper, and it was explained that it would be too expensive, costing too much per wolf.

Walter Mann, head of the Soil Conservation Service in Cameron, was then introduced into the meeting representing his department. He stated that since the SCS and the Commissioners Court work together so closely he thought they might like to be brought up to date on some of the policies of the SCS.

He told how farm waters must sometimes be dumped into ditches at the side of county roads, but when that is done a drainage release is filled out and the drainage done at the sanction of the commissioner. He pointed out that roads county roads are too narrow to turn blem as lands and that the SCS is always willing to work with the Commissioners on improving or planning roads.

Markham stated that most of the farmers, by doing so, are gradual-large farm equipment on, and the farmers, by doing so, are gradual-ly obliterating the barr ditch. He asked Mann to caution them, for their own interest, about turning the equipment on the roads.

Mann complimented the commissioners on their methods of handling.

City To Enforce Local Sewer Ordinance

All Those Within 100 Feet Of Sewer Line Must Tie In

Tuesday nights City Council meeting started with the re-opening of an old problem, the presentation of a complaint by John Trocta on "the stink" created by outside privies in the North-west section of town.

The complaint, although validly signed by six people from that section, was found to be more or less ludicrous by the councilmen, since two of those signing the paper are living within 30 feet of the sewer line and have not yet tied on.

The complaint brought forth forceful action on the part of the council, however, and surprised Trocta into asking the City to give the residents "a little more time."

Gene Blake started the decisive

action with the statement that he thought the city should either enforce the sewage ordinance or take it off the record.

Many comments by various aldermen followed, with one making the statement that most of the houses without sewage are rented from "somebody else" and these people can't be expected to put in sewers. Another pointed out that all those people renting out houses should be required to install sewer facilities.

Milton Schiller stated, "If they can't rent the houses without sewers I'll bet they'll put 'em in pretty quick".

"If the facilities are there," Blake stated firmly, "and the or-

linance specifics to tie into them,

then that's what should be done.

Mayor O. B. Horstmann asked Roy Baskin "How long will it take to file some 800 cases."

Baskin said it would not take very long.

Trocta was advised to file a legal complaint and action will be taken against the offenders.

The councilmen pointed out that when they were elected they took an oath to uphold the laws of the town and they are going to do just that by enforcing the sewer ordinance.

Baskin pointed out, earnestly but with a touch of humor, "I can't put sewers in, but I can put 'em in jail and then you can feed them."

They stated that anyone wishing to have a lateral run, to which he could tie on, could have one by putting up one year fee to insure the city that they would tie on

the lateral was laid.

Councilmen then discussed the portion of Highway 36, in the city limits, which improvements are slated for, and the necessity for getting the right-of-ways granted as quickly as possible.

Next visitor to the meeting was then introduced, Dave Williams, consulting engineer of Austin, informed the council that should they have any improvements, such as sewer or water plants in mind, his company would be very glad to serve the city in the way of preliminary plans and estimates.

He was told that, at this time, the city has no improvements in mind.

A letter from the Order of the Eastern Star was read, thanking the city for extending parking facilities to the members of their convention which met here recently.

Another letter, from O x s h e e r Smith, was read. He asked that the city issue him a one-year parking sticker for \$50.00; with no definite action taken.

John Andres, head of the Water Committee, reported that the lines carrying water to "Alabama Town" are completed although the fire hydrants have not yet arrived.

Lawrence Michalka and Joe Hawkins applied by letter to again hold the jobs as caretakers of the swimming pool this summer. No action was taken.

Andres reported that the pool is in good shape, and the council asked him to get bids on two umbrellas for the tables to use at the hold the jobs as caretakers of the swimming pool this summer. No action was taken.

He pointed out that since the city took over the Water Plant in 1950, when there were 1532 connections, See Ordinance — Back Page

why? - - -

"Sufficient records" — that was the statement made by Charles C. Smith, Jr., County Judge, regarding the Commissioners Court meetings.

The final minutes recorded on the Commissioners Court are for their meeting on January 10 and the following January 14. What happened in February? Was there no meeting, which, according to law, should be held every second Monday? If there was, where are the "sufficient records" — certainly not where they should be — in the records for public inspection.

We also feel that this is sufficient reason why it is necessary for a member of the press to be present at the Commissioners Court meetings. It was requested by one commissioner that the newspaper take their news from the minutes — that would be rather difficult to do when the minutes are put on record after the meeting had been over for a month or more.

When a recording machine is used the material can be typed up, with full detail, at a moment's notice—with no need for 30 day old records.

Soil Conservation District News

Supervisors: Edwin Fischer, A. W. Butts, Paul C. Graves, Clarence L. Stock and Hal Hartrick.

Soil Conservation District Cooperator are in the middle of another grass seeding and sodding season. Feaster Scarborough is adding another 30 acres of Bermuda to the 20 acres that he sodded last year in Little River Bottom. Across the river in the sandy and mixed lands Clyde Hensley is sodding 25 acres of Coastal Bermuda and Lawrence McClaren is adding another 35 acres to the 15 he set out last year.

Fertilizer will be used on all of these. Nitrogen only will be used in the Little River Bottom but in the Sandy and mixed land full applications of Nitrogen Phosphate and Potash will be used.

The grass sprigging machine owned by the Central Texas S. C. D. will be operating in the Elm Ridge community Tuesday. William Love, Bo Tittsworth, Robert Tittsworth and Edwin Brod will be using it to sprig Coastal Bermuda sprigs trucked in from East Texas. Most of these plots are in the upland blackland, therefore only Nitrogen and Phosphate fertilizer will be used.

Row Law a Central Texas S. C. D. cooperator, is preparing his land and fertilizing 50 acres that will be seeded to K. R. Bluestem as soon as enough moisture has fallen to firm the seed bed.

Parliamentary Procedure Topic At Bethlehem HD

An interesting and informative talk on correct parliamentary procedure was given by Mrs. Bentley Fletcher at the Bethlehem Home Demonstration Club meeting this week.

The club members were entertained in the home of Mrs. Paulie Jenkins.

Mrs. Bob Terry directed the business meeting and Mrs. Dudley Curry read the minutes.

Following a report on the Council meeting by Mrs. Jenkins, Mrs. Dudley Curry was elected by the 17 members present to be representative of the club at the District meeting in Temple March 30-31.

Mrs. Alice Hughes, the agents, gave a talk and demonstration on which was very detailed and interesting.

Visitors present were Mrs. Lydia Cooper, and Mable Jones.

After the meeting was adjourned the hostess served Cokes, pickles, cookies, sandwiches and candy.

Their next regular meeting will be in the home of Mrs. Richardson on March 15, with the program to be on making accessories for dresses.

Mrs. Alice Hughes Speaks To Yoe High Homemakers

The Yoe High Future Homemakers held their regular meeting Monday night, March 7, at the Yoe High Gym. After the opening ceremony, Carol Matula presented Mrs. Alice Hughes, County Home Demonstration Agent, who gave a talk on the different phases of homemaking.

Following this informative talk Jimmy Colburn and Marye Horstmann gave a report on the annual FHA style show. They announced that it is to be held on April 5 with "The Golden Egg Review" being the theme. Girls will model garments they have made and garments from Bernice's, Penny's, Irving's, Leader's, McIntosh's, and Statman's.

Marye Horstmann also gave a report on the Easter Seal Sale. Committees were appointed with Gloria Harber and Colleen Damron distributing the donation cans and posters down town and Beverly Rice and Faye Angell getting the Easter seal letters in the mail. The lilly sale committee is composed of Beverly Rice, Hazel Butler, Bobbie Price, Mae Eisfeldt, Gloria Harber, Colleen Damron, Thelma Hayes, and Norma Ruth Bowley.

Two girls from the Junior and Senior Chapter were chosen on the basis of qualification, to attend with Miss Patsy Skeen, advisor, and Wilma Kreumcke, State Degree Candidate, the FHA State Meeting to be held in Galveston on April 22 and 23. Peggy Burke and Mary Ellen Richter will represent the Junior Chapter while Gloria Harber and Annetta Shelaner will represent the Senior Chapter.

Plans also were discussed for girls wishing to attend the Area VIII Meeting in Waco on March 26.

Jack Lowery's Have New Baby Son

Mr. and Mrs. Jack Lowery of Lorena are the parents of a new baby son, Steve, who was born February 28.

Mrs. Lowery is the former Joy Henderson of Ben Arnold, a graduate of Yoe High School.

Paternal grandparents are Mr. and Mrs. Lowery of Lorena and maternal grandparents are Mr. and Mrs. J. A. Henderson of Ben Arnold.

TEL Class Has Business Meeting

Mrs. Mamie Dobbins entertained the TEL Class of the First Baptist Church at their regular business meeting, with Mrs. I. N. West presiding.

The meeting opened with a prayer by Mrs. A. M. Fanning, teacher of the class and Mrs. A. F. Russell gave the devotion.

Following the meeting a social hour was held and Mrs. West gave the reading "Highway of Life".

The hostess, assisted by Mrs. C. B. Ford, served angel food cake and ice cream to ten members and two visitors, Mrs. L. D. Blackwell and Mrs. Russell.

Mrs. Annie Reese dismissed the group with prayer.

Their next meeting will be in April in the home of Mrs. Roxby Williams.

Diaper Data

The hospital staff at St. Edward Hospital have been awfully busy during the latter part of February and first of March when a total of 17 babies were born. Of that number eleven were boys while only 6 girls were born.

They include: Mr. and Mrs. S. Mortimer, parents of a son, Mark Dennis. Weighed 9 pounds, 4 ounces. Born February 19.

Shirely Gail, the seven pound daughter of Mr. and Mrs. A. Horrelia born February 20.

On February 22, Mr. and Mrs. Glynn Cummings became parents of a son, Glynn Alan. He weighed six pounds.

Cheryl Denise arrived February 22 to Mr. and Mrs. D. Pickerton of Thordale. She weighed 3 pounds 4 ounces.

Mr. and Mrs. Billy Smith of Caldwell became the parents of a son, James Lee, who weighed 9 pounds, 3 ounces. He was born on February 24.

Dorothy Kaye arrived on February 25 to Mr. and Mrs. James Hutchison of Tangelwood. She weighed 4 pounds, 14 ounces.

Mr. and Mrs. D. R. Meyer of Deanville are the parents of a son, Rudy Alan, born February 25. He weighed 7 pounds and 3 ounces.

Rebecca Annette arrived February 27 to Mr. and Mrs. Taneracius Rodi of Temple. She weighed 7 pounds, 7 ounces.

Paul Curtis is the 8 pound, 1 ounce son born to Mr. and Mrs. Charles McDermott on February 28.

James Roger Reed was the first to arrive in March. He was born on the 1st to Mr. and Mrs. S. Reed of Rockdale and weighed 6 pounds 4 ounces.

Derik Owen is the new 7 pound, 7 ounce son born to Mr. and Mrs. Lem Homer, Jr. on March 2.

A son, Abel, Jr., was born on March 2 to Mr. and Mrs. Abel Pittmon of Ben Arnold. He weighed 7 pounds, 4 ounces.

On March 4, Ricky Alan arrived to Mr. and Mrs. A. Reinders of Ben Arnold. He weighed 7 pounds, 8 ounces.

Mr. and Mrs. Shedrick Echols of Rogers are the parents of a daughter, Lauratta Ann born March 5. She weighed 7 pounds, 15 ounces.

Ronnie Glen arrived March 5 weighing eight pounds. Parents are Mr. and Mrs. F. Rackley.

On March 7 Mr. and Mrs. C. Martin of Gause became the parents of a son, Jed Logan who weighed seven pounds, 9 ounces.

Linda Marie is the new daughter of Mr. and Mrs. Louis Hollas born March 8. She weighed five pounds, 9 ounces.

CARD OF THANKS

We wish to take this means of expressing our sincere appreciation for the many kind deeds extended us during our recent bereavement. We are especially grateful to the doctors and the staff of nurses at Newton Memorial Hospital for their tender care; the Czech Moravian Church at Buckholts and First Presbyterian Church in Cameron; to the ladies of the above churches and the men of Sons of Herman Lodge. We also appreciate the floral offerings and the many messages of condolences or to anyone who helped us in any way. May God bless each of you is our prayer.

The family of Conrad Jekel, Sr.

McDermott's Have Son

Mr. and Mrs. Charles E. McDermott, announce the arrival of a son born Feb. 28, at 9:44 p. m. at St. Edwards hospital. He has been named Paul Curtis and weighed 8 pounds and 11 ounces.

Grandparents are Mr. and Mrs. E. J. Sebesta and Mr. and Mrs. Erskine McDermott of Cameron. Great Grandfather is Giles A. McDermott of Cameron.

Little Paul is also welcomed by a sister, Charlene Frances, who is two and a half years old.

Local Girl Is TSCW Redbud Princess

Mary Frances Hensley will be presented as a princess of the Redbud Court March 18 and 19 at Texas State College for Women during the 17th annual Redbud Festival.

From 100 princesses elected by the students, five Crown Princesses will be introduced March 18. The name of the Redbud Queen, selected from the five crown princesses, will be revealed March 19 when she is crowned with the lacy silver coronet bearing a redbud motif. The queen also will wear the dark pink velvet robe and train embroidered with a redbud design and studded with pearls. The Queen represents the ideal young woman.

Miss Hensley, daughter of Mr. and Mrs. Roy C. Hensley, Route 1, Cameron, is a sophomore home economics major. She is president of the sophomore class.

The Redbud Festival is an annual climax to Self-Development week when personality, good grooming and culture are encouraged through special programs. During the week's events, March 14-19, a Posture Queen, the symbol of ideal physical development and poise, also is crowned.

The Southwest's largest concentration of redbud trees is planted at TSCW, some 2,500 trees. The Festival is planned at a time when they should be in profuse bloom.

Sharp Schools Observed Public School Week

The Sharp High School observed Public School week. The patrons of the school were welcomed to attend any class at any time during the week. Wednesday was visiting day. Dr. Mark Magers, pastor of the

Methodist church of Cameron, opened and closed the afternoon assembly with prayer.

E. C. Cole of Cameron amused the audience with magic tricks.

Mr. and Mrs. Frank Horlecia and children of Cameron Mr. and Mrs. Frank Barrett, Fritz Heinse and Frank Griffin were visitors with Mrs. Lillian Barrett and Mrs. Susie Mathews and Cleve McCall.

Raney Petty of Sharp was a business visitor in Cameron Saturday.

George L. Schroeder of Sharp and Clyde Williams of Gause transacted business in Cameron Saturday.

THE 100-MILLION-DOLLAR LOOK!

CHRYSLER WINDSOR DELUXE NASSAU WITH SPITFIRE V-8 ENGINE

"It's got everybody excited and we'd like to show you why"

Forgive us if we burst with pride... but we've got a terrific car here, and we want the whole world to know it!

It's the new Chrysler and the people who've been coming to see it and drive it are just as smitten with it as we are. It's the smartest, sleekest machine that ever appeared in an automobile showroom—and you should see it!

Most people prize good looks in a car. The 1955 Chrysler has it! Fashion people call it "tailored steel"—smart and different. It almost looks like it's going when it's standing still!

This, they tell us, is the new fashion in styling. We say hurrah! As for performance... well, double your enjoyment back if you don't think it's the best car you ever drove. Do it soon!

BE SURE YOU SEE AND DRIVE THE ALL-NEW

CHRYSLER

AMERICA'S MOST SMARTLY DIFFERENT CAR

GOOD DRIVERS DRIVE SAFELY!

Baptist SS Class Holds Meeting

The Winsome Sunday school class of the First Baptist Church of Milano had its regular monthly meeting at the home of Mrs. Curtis Miller.

A devotion was given by Mrs. McDonald, mother-in-law of the Reverend Fox, who is visiting from Alberta, Canada.

Sunshine Sisters were revealed and gifts exchanged.

The group sang happy birthday to Mrs. Miller, Mrs. Cecil Hart and Mrs. McDonald whose birthdays were all recently.

The hostess served strawberry shortcake and coffee to 15 members.

Frank Griffin visited in the home of Mrs. Jack Griffin and sons Marvin and Zackie Jr. Sunday.

Strep Throat Still Prevalent In Milan County

Strep throat jumped up to 20 cases during the week ending Mar. 12, according to a report from the County Health unit.

Next high on the list was chickenpox, with 14 cases reported. There were nine cases of influenza, five cases of mumps, three of pertussis, one of measles, one of gonorrhea and one case of tuberculosis.

Watch For False Magazine Salesmen

Many false representatives are working in the present Episcopal Educational Building Campaign, in communities outside Houston, authorities announced.

Beware of magazine salesmen who claim they represent the Episcopal Educational Building Campaign.

William G. Farrington, chairman of the \$2,250,000 drive said door to door salesmen in Houston were making this claim.

"We have no connection with any magazine sales group," Mr. Farrington said. "Our workers will be known in your communities and they will ask for a direct contribution. Do not be misled by false claims."

Kiwanis Hold Their Meeting At School

Kiwanis Club members held their regular meeting in the Ben Milam School cafeteria Thursday, in observation of Public school week.

Following lunch they were taken on a tour of the entire school system by four high school girls.

Those present stated that they were very impressed with the youngsters in the dining room.

You can help crippled children. USE EASTER SEALS. Volunteer your services to your Easter Seal Society.

Mr. and Mrs. Dan Jackson and sons, Marvin and Roy of Rockdale recently visited their parents, Mr. and Mrs. John T. Hause.

No Injuries In Tate-Frost Accident

The car driven by H. N. Tate, of Cameron, over-turned at the intersection of Crockett and First Streets Friday evening at 5:45 p.m. when he was struck broadside by the automobile driven by James Kenneth Frost, Rainbow Bread Company salesman.

City Marshall Joe Richter reported that Tate failed to stop for the stop-sign at the intersection and might have been seriously injured if Frost had been driving at any speed.

Although there were no injuries both cars suffered heavy damages. Investigating officers reported that no charges were filed.

Local Air Squadron Offers Retirement Program To Reserves

In recent years, many insurance companies have been advertising plans to "Retire at age 60 with \$250 a month for the rest of your life." The ads fail to mention that to have such a retirement income, a person would need a \$150,000 investment paying 2 per cent interest or a \$40,000 insurance retirement plan which would cost about \$2200 per year in premiums. It's a wonderful plan, but how many can afford it?

A retirement plan with such a payoff is out of reach for the average civilian, but many Air Force Reservists are going to receive an equal amount at no cost to themselves. They are participating in "point retirement" under Title III, Public Law 810, 80th Congress, as amended. As far as they're concerned, this is "money in the bank."

Many of today's reservists had considerable active duty during World War II and the Korean conflict. All of this active duty time counts toward reserve retirement; and reserve retirement means a monthly income, after the 60th birthday, for point-earning reservists.

The local Air Reserve Unit urges all former members of the Air Force in Milan County to remain active in the Air Reserve and not lose the time benefit of their service already spent in the Armed Forces.

The 9007 Air Reserve Squadron meets every Friday at 7:30 p.m. at the National Guard Armory in Cameron.

They have stated that they will answer any questions about the retirement program at that time.

Mrs. Dusek's Brother Retires With Santa Fe

Sam M. Bailey of Fort Worth ended almost 37 years of railroad service Monday, as he turned in his resignation to Brownwood Santa Fe Trainmaster Emory B. Jones.

Mr. Bailey, father of Mrs. Jimmy McDonald of Brownwood and the brother of Mrs. Franklin Dusek of Cameron and the brother-in-law of Mrs. Bessie Grant of Milano, has made the passenger run from Fort Worth to Brownwood three to four times a week for the past 18 years, and made the Menard run until recently, when the service was discontinued.

He began his railroad career with the Santa Fe on March 25, 1918 at Cleburne. He started his service as a brakeman. After 11 months, he transferred to the Fort Worth yards as a switchman.

Following this, Mr. Bailey resigned from the Santa Fe and began work with the Frisco Railroad as a brakeman, working out of Fort Worth.

When the Frisco was sold to Santa Fe in 1937, Mr. Bailey retained his position as brakeman with the Santa Fe.

His last trip for the Santa Fe came to an end at 1:25 a.m. Monday. He turned in his resignation and said he was going to "dead-head" back to Fort Worth Monday night.

Mr. Bailey was born at Cameron in Milan County Jan. 15, 1890. He was born on a farm and, now that he has retired, he is going back to the farm. Mr. Bailey owns 40 acres four miles east of Burleson.

He said the place is already fairly well stocked with chickens, turkeys, guineas and two yearling steers. He plans to do quite a bit of gardening, also.

Mr. Bailey was married to the former Miss Jessie O. Terry from Cameron Jan. 7, 1911, at Maysfield. He and Mrs. Bailey have four children, Mrs. Howard Donathan, Sam Terry Bailey and Mrs. Garnet Ryan all reside in Fort Worth and Mrs. McDonald of Brownwood.

Mr. Bailey said he and his wife plan to retain their home in Fort Worth as a sort of "family gathering place."

—Brownwood Bulletin.

Homemaker's Class Has Meeting Tuesday

The Homemaker's Class of the First Baptist Church met in their classroom Tuesday afternoon for a business meeting.

Mrs. Hause presided with Mrs. Harris giving the opening prayer.

Mrs. Gunn gave the devotional to the 12 members present.

Following the closing prayer a social hour was held.

Freezing Poultry, Meat To Be Topic Of Burlington Meet

The Burlington Home Demonstration club met at the home of Mrs. George Logan recently, with all members present. Mrs. Roy Schonhoeft, president, led in prayer and the club motto.

The song, "How Fine a Foundation" was sung by the club with Mrs. George Logan at the piano. The Secretary and treasurer, and called the roll. Roll call was answered with names of favorite women of the Bible.

Council report was given by Mrs. Logan. Council recommendations Mrs. Dennis Klein read the minutes were read by the secretary. The president read "Questions and answers concerning T. H. D. A." and Mrs. Logan gave the T. H. D. A. report. The club decided to visit the sick and shut-ins during Home Demonstration week. Mrs. Logan gave a program on "Safety on Life's Highways" and she also led in recreation. Mrs. Schonhoeft and Mrs. Klein were winners of prizes in games. Refreshments consisting of iced tea, butter cookies, potato chips and candies were served to the members and one little guest, Giles Heugatter.

The next meeting will be March 17 at the recreation hall with Mrs. Roy Schonhoeft as hostess. The agent Mrs. Alice Hughes will be present and have a program on "Freezing Poultry and Meat". Foods Demonstrator for Club is Mrs. Dennis Klein.

Living Room demonstrator is Mrs. Jack Heugatter.

TEXAS POWER & LIGHT COMPANY

Drive the low-price Plymouth soon—see why it LEADS "ALL 3" IN VALUE!

TOP TWO ENGINES

Plymouth's PowerFlow 117 engine is the smoothest, thriftiest six in the lowest-price field, with exclusive Chrome-Sealed Action that adds years to its smooth, whisper-quiet operation. And Plymouth's new 167-hp Hy-Fire is the most powerful standard V-8 in the low-price 3. Both engines thrive on regular, NOT premium, fuel.

NEWEST STYLING

Of all 3 low-price cars, only Plymouth's styling is completely and honestly new. Its fleet, forward-looking lines mean this Plymouth will look "new" years from now, and have a higher trade-in value. And, of all 3, only Plymouth gives you a swept-back windshield design, with far more visibility than in other cars in the low-price 3.

LARGEST SIZE

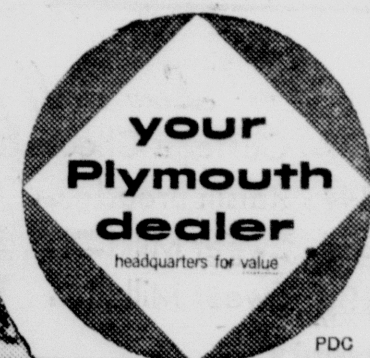

Biggest, longest, lowest car of the low-price 3, Plymouth is actually larger than some high-price cars! To you this means more roominess, more comfort inside, and the smooth, steady ride only a big car can give. Plymouth is priced for every pocket-book; 22 models in three great lines—the Belvedere, the Savoy, the Plaza.

SMOOTHEST RIDE

Only a big car, like Plymouth, can give you a truly "big car" ride. This Plymouth's frame is longer, stronger; rear springs are wider; exclusive Oriflow shock absorbers have still more cushioning action. When you look at all 3 this year, you'll see why the big swing is to Plymouth! Come in today for your demonstration.

Actual photo of the Plymouth Belvedere four-door Sedan.

Best buy new; better trade-in, too

Milano 4-H Club

By Helen L. Mitcham

The 4-H Club of Milano had a meeting recently. The boys and girls met in the 4th grade room. The leaders Mrs. Alice Hughes and J. D. Moore asked if there was any new business in either

boys or girls. There wasn't any new business so Mrs. Hughes and Mr. Moore showed some slides on Growing Flowers. Mrs. Hughes asked if there were any questions, there was some and all were answered. They gave the members some plants to put out. The meeting was adjourned.

AN ORDINANCE
ORDERING AN ELECTION
TO BE HELD IN THE CITY
OF CAMERON, TEXAS, TO
DETERMINE THE QUES-
TION: SHALL A COM-
MISSION BE CHOSEN TO
FRAME A NEW CHARTER?
AND IF A MAJORITY OF
THE VOTERS AT SAID ELE-
CTION SHALL HAVE VOTED
IN THE AFFIRMATIVE, PRO-
VIDING FOR A CHARTER
COMMISSION TO PREPARE
A NEW CHARTER, AND FOR
A SECOND ELECTION TO
DETERMINE WHETHER
THE CHARTER SO DRAWN
SHALL BE ADOPTED.

WHEREAS, at a regular meeting
of the City Council of the City
of Cameron, Texas held on October
5th, 1954, on motion by Alderman
Milton J. Schiller, seconded by Al-
derman Gene F. Blake, it was re-
solved by unanimous vote of the
City Council, acting under authority
of Article 1165, Civil Statutes of
Texas, that an ordinance be pre-
pared by City Attorney, Roy Bas-
kin, submitting to the qualified vot-
ers of the City of Cameron the
question "Shall a Commission be
chosen to frame a new Charter?",
NOW THEREFORE:

BE IT ORDAINED BY THE CITY
COUNCIL OF THE CITY OF CAM-
ERON, TEXAS:

1. That an election be held on
the 5th day of April, 1955 within
said City submitting to the quali-
fied voters of the City of Cam-
eron the question "Shall a Com-
mission be chosen to frame a new
Charter?"; and, should a majority
of said voters voting on said ques-
tion have voted in the affirmative,
that a Charter Commission of fif-
teen members be elected from the
City at large. Said election shall
be held at the City Hall, and B. J.
Matocha is hereby appointed Pre-
siding Judge of said election, and
Geo. G. McGehee Judge, and Mrs.
John Ryan and Mrs. R. W. Ben-
nett, Clerks, and said Presiding
Judge shall select such other
Clerks as may be necessary to
assist in holding said election.

2. That said election shall be
held under the provisions of the
Constitution and laws of the State
of Texas, governing General Elec-
tions, and all persons qualified to
vote in said City under the laws of
this State regulating general elec-
tions shall be allowed to vote. The

manner of holding said election
shall be governed by said laws of
the State of Texas governing Gen-
eral Elections.

3. That the form of ballot to be
used in said election shall be sub-
stantially as follows:

"SHALL A COMMISSION BE CHO-
SEN TO FRAME A NEW CHARTER?"

ANSWER YES NO

FOR the following named per-
sons of the City of Cameron to
constitute a Charter Commission.
(Vote for not more than FIF-
TEEN.)

1. Narvie Caperton
2. W. T. Hanes
3. John Henderson
4. Don Humble
5. W. E. Kuehl

13. John A. Smith, Jr.
14. Henry Siebman
15. E. L. Wied

4. Those desiring to vote for the
proposition, "Shall a Commission
be chosen to frame a new Char-
ter?", shall strike out the word
"NO"; and those desiring to vote
against said proposition shall
strike out the word "YES".

IN EITHER EVENT the voter
shall then vote for a Charter Com-
mission of not more than FIF-
TEEN members, to serve in case
a majority of the voters voting at
this election have voted in the af-
firmative. The above named have
been selected by the City Council
as a Charter Commission, and
should the voter desire to vote
against any or all of said above
named persons, he may do so by
scratching the name of such per-
son, or persons, and writing on the
line opposite such scratched name,
the name of the person for whom
he wishes to vote: PROVIDED
that a failure to so name a Char-
ter Commission shall not invalidate
the voter's vote on the question,
"Shall a Commission be chosen to
frame a new Charter?".

5. That should a majority of the
qualified voters voting at said elec-
tion vote in the affirmative as to
the question, "Shall a Commission
be chosen to frame a new Char-
ter?", then, after the Commission

has completed its work and submit-
ted the new Charter, a second elec-
tion shall be held at the time de-
signated by said Charter Commis-
sion, in conformity with law, to de-
termine whether the new Charter
shall be adopted.

6. That a copy of this ordinance
signed by the Mayor of the City
of Cameron, and attested by the
City Secretary, shall serve as a proper
notice of the election to be
held as herein ordered, on the 5th
day of April, 1955. The Mayor is
authorized and directed to cause
notice of said election to be post-
ed at the City Hall, and at two
other public places, in the said City
of Cameron, for at least thirty (30)
full days prior to the date of elec-
tion; and he is further authorized
and directed to have said Notice
of Election published in some
newspaper of general circulation
published in said City, which said
notice shall be published each week
for four weeks, the date of the
first publication to be not less than
thirty (30) full days prior to the
date of the election.

7. The fact that the present char-
ter of the City of Cameron is deem-
ed by a considerable number of
the citizens thereof, inadequate to
meet the present governmental
demands of the City, and the im-
portance of the inauguration of
changes in the basic laws and
management of the City, constitute
an imperative public necessity for
the suspension of the rules requir-
ing ordinances to be read at three
different meetings; and the taking
effect immediately of this ordi-
nance; and such rules are hereby
suspended, and it is ordained that
this ordinance shall take effect im-
mediately after its passage and ap-
proval by the Mayor.

OFFERED BY:
Alderman Gene F. Blake

PASSED BY THE CITY
COUNCIL OF THE CITY OF CAM-
ERON, TEXAS, by a vote of 5 Ayes
and No Noses, at a called meeting
held on the 16th day of February,
A. D. 1955, and APPROVED on the
same day.

O. B. HORSTMANN
Mayor, City of Cameron, Tex.

ATTEST:
Neomi Needham
City Secretary, City of
Cameron, Texas

46-41c

RESOLUTION
AND
ORDER OF ELECTION

WHEREAS, the Ordinances and
Laws of the City of Cameron and
State of Texas require the holding
of a regular annual election of of-
ficers of the City of Cameron, Tex-
as for the two years beginning with
the first Tuesday of April, A. D.
1955;

THEREFORE, BE IT RESOLV-
ED BY THE CITY COUNCIL OF
THE CITY OF CAMERON, TEX-
AS, THAT:

1. An annual election shall be
held in the said City of Cameron
on the 5th day of April, 1955, the
same being the first Tuesday in
said month, for the purpose of elect-
ing the following officers, to-wit:

THREE ALDERMEN of the City
of Cameron (to succeed Aldermen
J. C. Andres, Gene F. Blake and
Robert Weems, whose terms of of-
fice expire on the first Tuesday of
the month of April, 1955) to hold
office for the two year term end-
ing on first Tuesday in April, 1957;
and it is hereby so ordered.

2. Said election shall be held at
the City Hall in the City of Cam-
eron on the said 5th day of April,
1955, and the following named and
designated electors of the City of
Cameron, are hereby appointed
managers of said election (and of
all other elections which may be
held in said City of Cameron dur-
ing the year 1955), to-wit:

B. J. Matocha, Presiding Judge,
Geo. G. McGehee, Judge,
Mrs. John Ryan, Clerk,
Mrs. R. W. Bennett, Clerk, and
such other judges and clerks as
may be appointed by said presid-
ing judge to assist in holding said
election, in accordance with the
laws and ordinances governing in
such cases. The manner of holding
said election shall be governed by
the relevant statutes of the State
of Texas and ordinances of the City
of Cameron, governing elections.

A copy of this Resolution And
Order of Election, signed by the
Mayor of the City of Cameron,
shall serve as a proper notice of
said election; and the Mayor is
hereby directed to cause notice of
said election to be posted at the
door of the City Hall of Cameron,
a public place in the City of Cam-
eron, and to be printed in the of-
ficial newspaper of said City, for
at least thirty days prior to the

date of said election.
OFFERED BY ALDERMAN
Roy Griffith
PASSED BY UNANIMOUS VOTE
of all Aldermen at a called meet-
ing of the City Council of the City
of Cameron on Wednesday, the 16th
day of February, 1955, the same
being the third Wednesday in said

month; AND APPROVED on the
16th day of February, 1955 by
O. B. Horstmann
Mayor, City of Cameron, Tex.

NAGGING BACKACHE
By J. E. Boyce, D. C.

A back pain beneath the right
shoulder blade, and a numb ting-
ling there, usually is a referred
pain due to Gall Bladder trouble
but can come from bad posture
habits.

A similar pain under the left
shoulder blade
may come from
stomach trouble,
the spleen, or bad
posture habits.

Backward dis-
placement of the
uterus is common
and can cause a
deep ache under
the sacrum low down near but
above the tail bone. Pain from in-
juries of the coccyx (tail bone) is
easily located but sometimes con-
fused with a misaligned sacral ap-
ex.

The common backache at the
belt line area and lower that comes
suddenly on one or both sides,
sometimes sending pains into the
groins and causing bladder pres-
sure and burning, sometimes send-
ing pains down the side or back
of the thigh, sometimes causing
the knee or calf or even a heel
to ache, sometimes preventing the

patient from moving any direct-
ion without terrific pain across
the entire lower back and always
causing perspiration and nervous-
ness, is definitely that very ordi-
nary culprit called the Sacro-iliac &
Sacro-lumbar sprain or strain, also
known as Sciatica and Sciatic
Rheumatism.

A young lady 36, entered this
clinic complaining of severe pains
in back, causing hurting in the
stomach area, and extending up
the front about the level of her bra-
ssiere, also indigestion, gas, head-
aches, nervousness and leg pains.
Our spinal analysis located the
cause, and x-rays showed the posi-
tion of the misaligned vertebrae
causing nerve irritation. After cor-
rection of this spinal condition by
adjustments, this case reported,
she was free of any distress had
no pain, felt better than she had in
many years No. 247.

Men occasionally stumble over
the truth. Most of them hurry off
as if nothing had happened. A few
will investigate and benefit.

Note: Texas Workmen's Com-
pensation Law authorizes payment
for Chiropractic services. Demand
it from your employer and his in-
surance company.

KCEN Farm Program

Starting Monday, March 21, KCEN-TV in keeping with our policy of serving the entire Central Texas area will begin an interesting and informative new farm program.

This program will be conducted by Clark Bolt. I am sure you know Clark and his great ability in this field. The program will feature interviews with authorities and experts in all phases of farm work. Actual demonstrations will be presented and the program will include weekly filmed news releases from Washington as to farm legislative activity, and weekly filmed farm releases from the U. S. Department of Agriculture. There will also be a considerable number of pictures on the program taken by Mr. Bolt at various agricultural meetings throughout the area. The program will also feature actual test farming done by the Bruceville

Eddy FFA Chapter.

The program will be called RFD Number 6 and will be presented each week day, Monday through Friday, at 12:30 to 12:45 p. m. We feel that this is undoubtedly one of the best times to reach the rural audience and we would consider it a great favor if you would publicize this program through your activities and membership. Your cooperation will be greatly appreciated and if you have any suggestions whatever as to ideas that may be incorporated in the program RFD Number 6, please do not hesitate to contact Clark Bolt.

Very truly yours
Harry Abbott
Station Manager.

E & R Church To Have Early Sunday Services

On Sunday, March 20, for this day only, Sunday Church School will begin at 9 a. m. at the United E & R Church in Ben Arnold.

The worship service will begin at 9:45.

The pastor asked that the members of the congregation keep this earlier starting time in mind and all be there.

Texas Gulf Sulphur Fee At 8,104 Feet

Drilling on the Texas Gulf Sulphur Co. No. 1 Fee, wildcat in the old lignite area around Milano is continuing.

At the last report a depth of 8,104 feet had been reached leading oil enthusiasts to believe that it will probably be drilled to a full 9,000 feet, which their permit called for.

No information has been released on this test, although at the outset the company announced they would make tests of the soil at all depths, presumably for future reference.

Governor Shivers Proclaims Easter Seal Month

Governor Allan Shivers named March 10 to April 10 the "Month for Crippled Children" in a proclamation issued from the State executive office, March 7, in Austin, Texas.

The Proclamation was issued in support of the 1955 Easter Seal campaign, scheduled to open in Texas on March 10, and continue through Easter Sunday.

"It is a privilege for me to proclaim this month for Crippled children", Governor Shivers said in a statement accompanying the proclamation. "No greater work can we engage in than giving aid to crippled and handicapped children."

"I urge every citizen of the State to have a part in this worthy humanitarian program. Let each of us individually do what we can to help a crippled child attain his rightful place in society."

"Also, let us all contribute liberally to the Easter Seal campaign, so that the services of the Texas Society for Crippled Children can be expanded to reach every handicapped individual who needs care and treatment."

Mrs. E. J. Sebesta has returned to her home, after having been a patient in St. Edwards Hospital this past week.

Laurence Janicek of Rosebud was in Cameron Saturday.

Mrs. Otto Koenig of Burlington was a visitor in Cameron Monday.

MCMS Auxiliary Elect Officers At Rockdale Meeting

The Womens Auxiliary of the Milam County Medical Society met in Rockdale March 8 and new officers were elected.

Mrs. T. S. Barkley of Rockdale is the new president; Mrs. T. L. Denson of Cameron, vice-president; Mrs. A. M. Shelton of Rockdale, secretary-treasurer and reporters; Mrs. H. S. Woods, Jr., of Rockdale and Mrs. E. O. Smith of Cameron.

The main purpose of the womens auxiliary is helping with the recruitments of nurses and make available informative material for those interesting in a nursing career.

Following their meeting, they joined their husbands, who were attending the Milam County Medical Society, for dinner served at a Rockdale cafe.

The next meeting will be held April 12 at the Cameron Country Club.

S-Sgt. A. Gerick In Philippines

S-Sgt. Albin J. Gerick, son of Mr. and Mrs. Joe L. Gerick Sr., Route 1, Cameron, has arrived in the Philippines to serve a tour of duty with the U. S. Thirteenth Air Force.

Now stationed on Clark Air Force Base, located 60 miles north

of Manila, he performs air craft and engine mechanic duties for the 6200th Field Maintenance Squadron.

Sergeant Gerick has been in military service since October of 1943.

Dean White of Milam Theatre Attends Workshop

Dean White, manager of the Milam Theatre, was the guest of Metro-Goldwyn-Mayer Pictures at that company's "Ticket-Selling Workshop", a one-day meeting of leading theatre men at the Adolphus Hotel, Dallas, on March 9, 1955.

Mr. White was invited to the meeting by M-G-M in recognition by the company of his alert showmanship which has been evidenced by his bringing to Cameron the very finest and latest of Hollywood's motion picture entertainment. He stated on his return from the meeting that there is every reason for the public to expect even more fine pictures in the coming season and he is convinced that theatre attendance will continue to rise as these pictures come to the Milam Theatre.

The meeting in Dallas was called primarily by M-G-M to convey to theatre owners and managers, ideas for attracting greater patronage at their box-offices as it is the belief of the motion picture indus-

try's best advertising and publicity men that people are becoming increasingly aware of the efforts being made in Hollywood to introduce better attractions via the many new screen techniques including wide screen, CinemaScope, VistaVision, stereophonic sound, etc., and that if the local theatreman plans his advertising campaigns alertness to the new pictures, he will benefit at the box-office as well as guarantee that his patrons will not miss any of the attractions for which they have developed what the trade calls "want-to-see".

On his return, White announced that the following forthcoming attractions have been booked for future showing on the screen of the Milam Theatre.

"On the Waterfront", "Country Girl", "Green Fire", "Brigadoon", "The Asphalt Jungle", "Jupiter's Darling" and "White Christmas".

16 Wells Now Complete In Milano Field

It was reported that the Texas Gulf Sulphur Co. No. 1 Fee is drilling at 8,221 feet on their 9,000 foot permit now.

There are 16 wells now completed in this field, which is nine miles south of Cameron, one mile off Highway 36.

All but four of the wells are on electric pumps, with the others to be put on pumps as soon as facilities are available. Three new wells are being spudded in.

Oil enthusiasts are watching the east and northeast section off the highway with particular interest, since new activity is expected in that area.

Some of the wells in that vicinity include seven on Dr. O'Neill's lease; one on Griffin Chapel church two on "Boozy" Dukes; two on the Caville lease; two on the Calton lease and one on the Albertson lease.

At the present four rigs are in operation and more are supposed to move in, in the near future according to an unconfirmed report.

Grain Sorghum Seed Treatment Good Insurance

Chemical seed treatment is such good insurance against kernel smut seed rots and seedling blights, and costs so little, that no grain sorghum seed should be planted without first being treated.

The chemical kills the smut spores that may be on the seed against various soil-borne and seed-borne fungi which may rot the seed before it can germinate or kill or weaken the young seedlings. The rotting of untreated seed is more severe with soft-seeded va-

rieties and when the soil is too cold and wet for quick germination.

Recommended chemicals are Arasan, Spergon, Dow 9B and 50 per cent copper carbonate at the rate of two ounces per bushel. They do not injure the germination if properly used but in many cases help in getting a good stand.

Recommended grain sorghum for Milam County are: Redbina 60, Plainsman, Martins, and No. 7078.

CARD OF THANKS

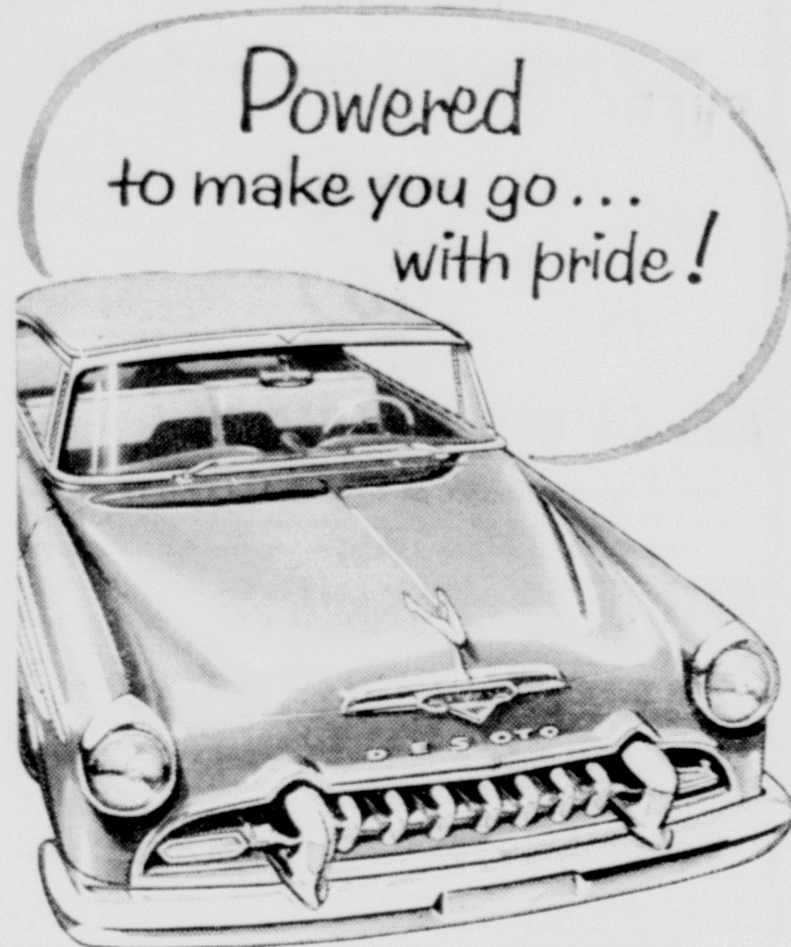

We are happy to say that Mrs. Alice Brashear is improving slowly and wants to thank all who came to see her, and for prayers that were sent and those who sat up and brought food or helped in any way, we are grateful.

The Brashear Family.

RECIPE OF THE WEEK

Submitted By:

Mrs. Abe Fleisher

LEMON CAKE PUDDING

(Cake and Custard in One)

1/4 Cup Sifted Flour

1 Cup Sugar

1/4 Tsp. Salt

1 1/2 Tsp. grated lemond rind

1/4 Cup Lemon Juice

2 Eggs

1 Cup Milk

Sift dry ingredients together. Stir in lemon juice, rind, well beaten egg yolks and milk. Fold in stiffly beaten whites. Pour into 8" casseroles set in pan of hot water. Bake 40 to 45 minutes, in 350 degrees (mod. oven). Serve cold or warm plain or with whipped cream.

The DAY & NITE Grocery will Pay \$1.00 in Merchandise for the best Recipe Submitted.

BURLINGTON NEWS

Is Your Hair Healthy? If you have a scalp disorder, or if you are worried about your hair, call Trichologist E. L. Hicks at the Cameron Hotel in Cameron, Texas, Friday ONLY from 12 noon to 9:00 p.m. The public is invited. The examinations are private and open to men and women. You do not need an appointment, and you will not be embarrassed or obligated in any way.

J. Wayne Green, eminent Trichologist, demonstrates causes of baldness and how it can be prevented.

How To Have Hair For A Lifetime To Be Demonstrated Here By Famous Trichologist Offer Written Guarantee

An exclusive interview by Seven Bright WICHITA (Special) — J. Wayne Green, Director of Rogers, Inc., Hair and Scalp Specialists, exploded the 'myth of baldness' today in an exclusive interview.

"Baldness is unnecessary, costly, and a plague to mankind," says Green. "No man need be bald. No man need suffer the stigma of premature old age that is forced upon him because he is losing his hair. The Rogers method of hair and scalp treatment can prevent baldness—can turn colorless fuzz into healthy, growing hair—can make you look youthful again."

Demonstration To Be Held in Cameron, Texas

This revolutionary method of home treatment for the hair and scalp will be demonstrated in Cameron, Texas, Friday ONLY, April 1, at the Cameron Hotel. Trichologist E. L. Hicks will conduct the private, individual interviews from 12 noon until 9:00 P.M. on Friday ONLY. There is no cost or obligation, and you need no appointment.

Reasons For Baldness

"There is always a reason for baldness," continued this nationally known authority. "Hair cannot grow through a scalp that is infected with dandruff, excessive oiliness, or extreme dryness. A scalp that has never been exercised cannot be expected to produce healthy hair." Men, and yes, women too, walk the streets today, completely devoid of nature's greatest ornament—hair. Simply because they were not taught the basic rules of hair and scalp hygiene while they were growing up. "The simple answer," emphasized this expert, "is that children should be taught the same simple basic rules of hair and scalp hygiene that they are taught for the proper care of their teeth. If this were the case, baldness would be a rarity today."

Hereditary Not Involved

Trichologist Green dodged no issues. He quickly took up the most widely spread theory of baldness—heredity. "Mankind's unrealistic belief that baldness is hereditary stems from a misinterpretation of the theory of genetics. Theory does

Barbara Hollingsworth of Houston visited her parents Mr. and Mrs. Elbert Hollingsworth during the weekend.

Mrs. Elbert Broughton of Smithville and Mrs. Hazel Peel of Temple visited their mother Mrs. Mary Ireland Sunday night.

Mr. and Mrs. Lanis Petty and Sue of Sharp visited Mrs. Pettys mother Mrs. Ette Massengale Sunday.

Mr. and Mrs. Dock Thweatt were in Temple Tuesday.

Mrs. Herbert Thweatt and Mrs. Dock Thweatt and babies visited Mr. and Mrs. Carroll McElwath and son in Lexington Wednesday.

Mr. and Mrs. Pat Gleason and son of Bryan spent the weekend with Mrs. Vina White.

Mrs. W. C. Freeman left Wednesday for Dallas to visit her daughter Mrs. David Mohney and family

ing the lack of a sewer line in the vicinity in which he is living, signed by many of his neighbors to present to the city council.

He said that if this doesn't bring the action of the council he will keep trying until some satisfactory arrangement is made.

Mayor O. B. Horstmann, when contacted, stated that when the main sewer line was put out in that general area there were 30 names filed as wanting the service; but, when the line was in-

stalled only six people tied on.

He said that since that time the city has required that those wishing sewer service have to deposit at least one year's charges before any action is taken. He reminded that this money is returned

to the people in service, and is merely a "faith" gesture, since so many claim they want service and made do not tie on. Anything costing the city so much money has to have an assured return, the Mayor stated.

"Are We Keeping Our Freedom" Topic of Mrs. Henderson at DAR

"Are We Keeping Our Freedom" Mrs. Henry Hefley on Thursday, was the subject discussed by Mrs. John Henderson at the March meeting of the Daughters of the American Revolution in the home of

desperate challenge. To combat our enemies at home and abroad she recommended the following musts: 1. We must strengthen the influence of the family and the home. 2. Our schools must be presided over by men and women imbued with the highest ideals of this Republic. 3. We must see to it that our churches are tolerant and at the same time militant.

Mrs. Bertha Brewer read a paper on Indians in the United States, particularly those in Texas, and brought out what the DAR is doing for them. She reported boxes of clothing had just been sent to the Indian Village at Livingston, Texas, valued at \$46.00.

The opening ritual was conducted by Mrs. J. C. Freeman, Regent of the Chapter, and five minutes of national defense news was given by Mrs. Giles McDermott.

Mrs. B. J. Baskin reported that a box of good, used clothing has been sent to Tamassee School,

Tamassee, South Carolina and to Kate Duncan Smith School at Grant Alabama. These two schools are owned and operated by DAR and are dependent upon the DAR for all of their needs. These schools are for underprivileged children who would not otherwise have the opportunity for an education.

Mrs. T. F. Criswell of Calvert, the Sarah McCalla delegate to the Fifty-Sixth Annual State Conference of the Texas Society which is going on in Houston this week, announced that Miss Aetna Smith would accompany her to Houston. Headquarters for the conference is at the Rice Hotel, where they are staying. Mrs. J. C. Freeman, Regent, is also attending the meeting.

Marie Arnold of Rockdale has been chosen by the students and faculty of Rockdale High School to receive the D. A. R. Good Citizenship award, it was announced by Mrs. W. G. Gillis, chairman of the Good Citizenship Committee. Sarah

McCalla Chapter will present the General Excellence Pin to Miss Arnold and to Joyce Wallace, Yoe high school Good Citizenship winner at a later meeting of the Chapter.

The hostess, Mrs. Hefley, was assisted in serving strawberry parfait and cake squares by her daughter, Mrs. Bill McIntosh, to local members and the following out-of-town members: Mrs. Criswell of Calvert, Mrs. J. A. Beasley of Rockdale, and Mrs. D. E. Currie of Lott.

Hamilton Meeting Slated To Start Cotton Movement

Attempts to bring "King Cotton" back to Central Texas are resulting in various meetings, important to farmers and businessmen, throughout the area.

Friday, March 18, at 7:30 p. m.

a meeting will be held in the Hamilton County Court House to start the movement to get the reversing of the cotton acreage back to Central Texas.

J. P. Hart, of LaGrange, will be present at the meeting. It is hoped, the Hamilton Chamber of Commerce reported, that some 2,000 interested people will also be there.

They asked that everyone interested in seeing that cotton again becomes the chief industry in this

area be present.

Frank Ermis, Sr. Celebrates His 88th Birthday

Frank Ermis, Sr. celebrated his 88th birthday Sunday with a party in his honor at Simon-George Hall. One-hundred-and-twelve people, relatives and friends, were present

to enjoy the three foot long and foot wide birthday cake, iced in white with red rosebud decorations. There was also a buffet table laid with chicken, barbecue and all the trimmings.

The children of Mr. Ermis who were present at the party were Mrs. Joe Marek, Mrs. Will Kamenicky, V. A. Ermis, Mrs. Bill Dokopil, Ludmilla Ermis, Frank Ermis and Mrs. John Michna.

Princess Icebox Pie

1 1/4 cups graham cracker crumbs
1/4 cup soft butter
1/4 cup sugar
1 cup canned fruit cocktail juice
1/4 teaspoon salt
1 package lemon gelatin

2 cups canned fruit cocktail, drained
1/4 cup ice cold Pet Milk
2 tablespoons lemon juice
1/4 cup shredded coconut

Press in bottom and on sides of 9-in. pie pan a mixture of crumbs, butter and sugar. Chill. Heat to boiling a mixture of juice and salt. Add gelatin; stir until dissolved. Remove from heat; add 1 1/2 cups fruit cocktail. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater, or electric beater at high speed until fluffy. Add lemon juice, then whip until stiff. Fold into chilled gelatin mixture. Put into crumb-lined pie pan. Top with coconut and garnish with rest of fruit cocktail. Chill until firm.

DURABLE, RUSTFREE METAL!**

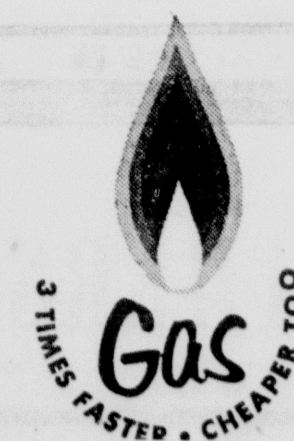

You use Alcoa-Alloy every day! It withstands searing heat, rust! It's strong and durable. Liberal ten year tank guarantee protects investment.

**160° WATER GETS
CLOTHES REALLY CLEAN**

The hotter the water, the cleaner, whiter and hygienically safer the wash! 160 degrees in-the-tub is best for clothes washers. Ruud-Alcoa delivers it! Load after load!

Change to Laundry-Rated Ruud-Alcoa Now!

LONE STAR GAS COMPANY

Your local government always holds "OPEN HOUSE" and you're invited! Have you ever been to City Hall or attended a meeting of your City Council? Have you ever been to a meeting of your County Commissioners? — or your School Board?

This month is sponsored by the Lawyers of Texas as part of their "Be a Good Citizen" program.

It's **YOUR** city — **YOUR** county — **YOUR** State. In short it is **YOUR** government. Take an interest in it! It's **YOUR** business. You may go to a meeting of your City Council or Commissioners or your School Board at any time.

It's "Government Open House". A good citizen knows how his government operates and what is doing — so come on — get acquainted with your government.

It's "Open House" and you're invited! Good Government is your business, take an interest in it — speak up — make yourself heard.

The next City Council Meeting is Tuesday, March 15 with the next School Board meeting slated for Wednesday, April 13th.

The commissioners court meeting is slated for March 14.

SMITH —

ing the drainage along the road, stating that it was better than any of the other counties he had worked in.

He also commented on the efficient way the commissioners, Markham in particular, worked with the terracing program, and thanked them for doing so.

Smith reported that the State sanctioned this action, stating that county equipment is available for terracing work at any time.

In pointing out how he handled the terracing work, Markham stat-

ed that he charged the farmer \$6.00 per hour for the service, with no charge for the equipment, and that, by this method, the equipment earned a little money.

Next to appear before the court was a Mr. Prestwood, who is owner of some property located south of Gause. He presented the commissioners with a petition asking that they re-open the old Gause-Framesville road, which is one mile long, with only one-half mile in Milam County and the other half in Burleson.

It was brought out that this is

still a county road, never having been condemned by the court, and that it was not actually abandoned by the people in that area simply moved away, making it a "nomans-land".

The commissioner from that precinct, Neal, said that he would get together with the Burleson commissioner Friday and see what could be done about re-opening the road.

Joe Hanover, Engineer for the State Highway Department, next appeared before the court on several matters, specifically emphasizing the newly proposed bridge on the Brazos River between Gause and Hearne on Highway 79. Judge Smith told him, and the commission, that the status of the bridge was still uncertain, since only one release had been obtained, with two more yet to be obtained. He added that they will take every step necessary to complete the preliminary negotiations as soon as possible.

Con Isaacs, County Auditor, asked Hanover why they went so far down the river and was told that there were several reasons, they wanted a normal (width) crossing, were held up by the railroad in the

other direction and had a better foundation on both sides of the river at this point.

After discussing several other roads Hanover retired from the meeting.

The commissioners then discussed the new right of way for the Walkers Creek road, 190, and Judge Smith was authorized to offer each property owner along the right of way, affected by it, \$100.00 per acre with the county doing the fencing where necessary. They stated that if it would be their policy to treat all the same.

The securities of each of the local banks for county monies were then reported and approved.

A letter from the City of Cameron was then read, stating that they would accept the responsibility of medical bills on all city prisoners. The Judge stated that Sheriff Carl Black had been advised of this and would take care of the prisoners. He added that the people do not realize just how much it actually costs the county to take care of the city prisoners, utilities, jailer and other necessary instruments, as well, he added, as the damage inflicted upon the jailhouse by city prisoners, which is much higher than by county prisoners.

ORDINANCE—

the number of connections has grown to 1874 as of this month.

He stated that more water meters would be needed soon and the council voted to purchase 24 more.

Mayor Horstmann then questioned Mrs. John A. Florida, Jr., a representative of the Cameron Herald, who was present at the meeting, about the comments made at the Commissioners Court Monday regarding city prisoners.

He asked if the Commissioners or the Judge said anything about the city being taxpayers, to which Mrs. Florida said no, they merely pointed out that city prisoners do more damage to the jail than county prisoners.

They humorously cautioned Joe Richter, city marshal, to stop arresting such rowdy prisoners.

Following some discussion on the city airport the meeting was adjourned.

YOE PLANS —

the public. The children seeking education were given the best possible service, but the schools do not go out seeking children and they can attend any school they choose.

After Father Buxkemper and Johnson retired from the meeting the matter was discussed at some length, with board members going over the busses now in service at the school and finding they had none to dispose of at this time, but would give the Catholic School the first consideration when there was one to sell.

One of the busses, which has been used as a spare during this school term, had already been given to the F. F. A. Boys, with the other bus the board was considering to dispose of, or put a new chassis on, deemed to be in good enough condition, with the addition of a new motor, to be kept in use for another two years.

Many other items of importance were brought up at the meeting, one of them being the loss of a teacher deemed valuable by school administrators. The resignation of Miss Anita Dusek, music teacher in the elementary schools, was not accepted by the board, instead they gave her a years absence to continue her schooling.

Hanes stated that during that year each home room teacher would have charge of her music classes, either by piano, if she played or with the record player if she did not.

With the permission of the City Council and Texas Power and Light Company street lights will be erected by Ben Milam School.

The football fence committee reported that the fence at the stadium is complete, and next they would approach the Lions Club and pursue the idea of removing the dugout on the field, if the Lions elected to do so, so that several track events could be held

in front of the stadium and in the interest of general improvement of the appearance of the field.

Several bids were made on the North Elm School property, with the Slavik Brothers turning in the highest bid of \$2,750.65. The board decided to sell the property to them, asking for one-half mineral rights.

It was brought out that the Board of Equalization will meet in June, with the members of the board not yet named.

Board members voted to request the county school board to consolidate Yarrington, and at the same time take in Ben Arnold, which has stated that they wish to come into the Cameron system since they plan to discontinue their school next year.

Layfield gave a short review of the interscholastic league program for this year and the dates set for the various events.

Wiley Loughmiller, also present, said that they are concentrating on regular attendance.

10 Students To Compete For Alcoa Awards

ROCKDALE, March 12—Ten students who will graduate from high schools this spring have been chosen by the selection board to compete for the Alcoa Foundation Scholarship Award, after meeting all qualifications.

They will go to Austin to take college board examinations, and final selection of a winner will be based on consideration of the applicants examination score, along with financial need, scholarship promise, character and leadership ability.

Those chosen to compete for the \$2,000 scholarship award are Mary Sue Bludworth, Lexington; Vernell Froch, Lexington; James Ben Chaffin, Caldwell; Melton Curtis Drummond, Thordale; Gretchen Hartsock, Rockdale; Mary Jo Kederis, Rockdale; Clifton Elmer Mc-

Adams, Rockdale; Barbara Joyce Smith, Rockdale; George Weldon Swearingen, Rockdale; Robert Walker, Rockdale. All are sons and daughters of employes at Alcoa, Rockdale works.

They are Monroe Herman Fuchs, son of Mr. and Mrs. Leo Fuchs and Robert John Balhorn, son of Mr. and Mrs. W. W. Balhorn.
